Mission of the EAJ

- Successor Journal to Bulletins of National Actuarial Associations
- Reach Scientific Level / Critical Mass
- Bring „local“ matters to a broader audience
- Actuarial Associations as Stakeholders
- Bridge between Actuarial Theory and Practice
- First Issue: 2011

EAJ: Bridge between Academia and Practice

Initiatives:

- New Article Categories:
 - Original Research Papers
 - **Survey Papers**
 - **Case Studies**
 - **Letters**
 - **Practitioner Discussions**

Special Issues: currently: Longevity, Climate Risks

EAJ: Bridge between Academia and Practice

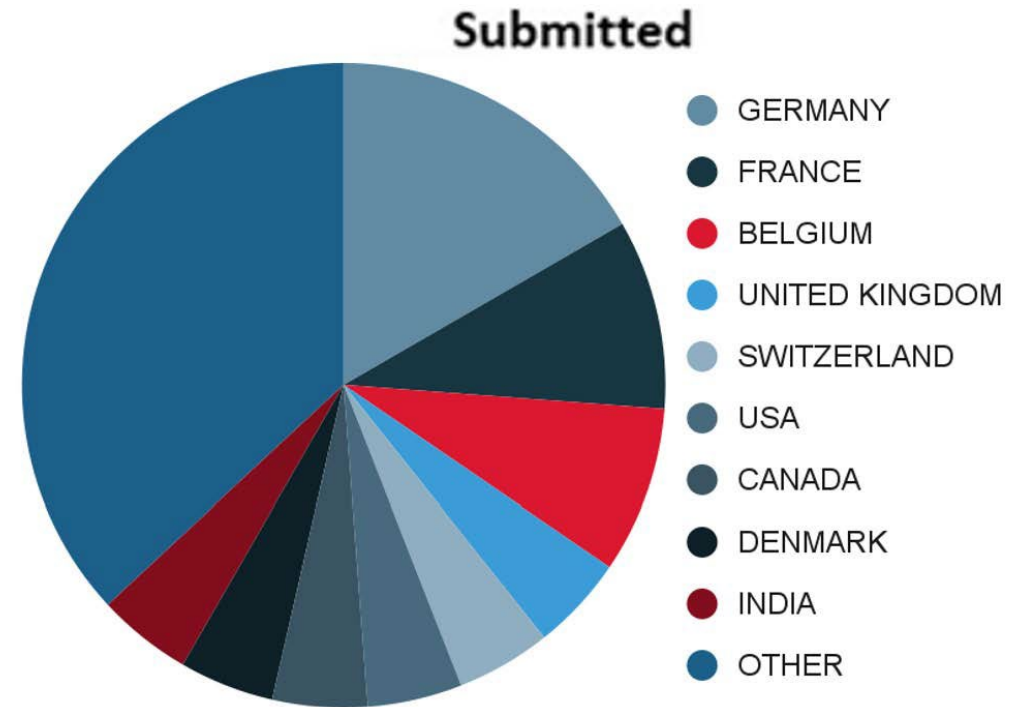

Further Initiatives:

- EAJ Best Paper Award (Gauss-Prize of the DGVFM, since 2019)
- EAJ-Conferences, since 2012: Lausanne, Vienna, Lyon, Leuven, Tartu,
2024: Lisbon!
- LinkedIn-Page (with One-Clicks to OnlineFirst-papers, since 2021)
- Online Live short presentations of papers from corresponding authors (videos available on the Cassyni Website, since 2021)

Editorial Remarks

- About 80 submissions per year
- Acceptance rate: ca. 35%
- Time to first decision: median 60 days
- Transformative Journal Agreement
- Since 2023: Impact Factor (JIF) in JCR: 1.2

Outreach

- Many printed copies for each issue

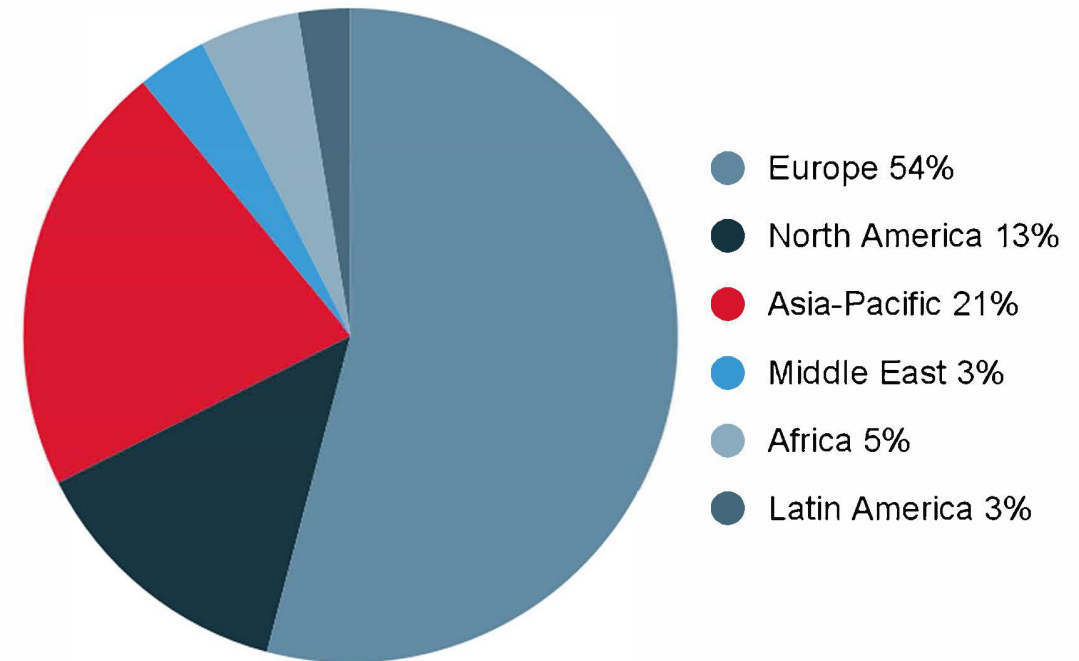

- Fulltext Downloads:

2020: 26'805

2021: 42'859

2022: 57'609

2023: 114'951

Outlook / Goals for the Future

- Since 2024: 3 Issues per Year
- More Member Countries
- Impact Factor Development
- Number of Submissions
- Platform for Knowledge Transfer: increase visibility further

Further suggestions are welcome!
